Registration Snapshots November, 2017

To better track your membership records, I have created a new app that captures your registration records by sublist name. You access this page from the left panel of the main registrations page on your adm website.

Site Navigation: Create New Reg, Registrations, Email Program

Search Last Name: Input full or partial Last Name

Listed are registrations in your Reg

ID	Full Name	Member Type
6	Aholtz, David	Reg Life
762	Aldrich, James	Regular
654	Amadon, Richard	Non-Member

When clicked, a real-time display of all your default sublists:
